

Registering a private location with Film Shropshire

While We Visit LLP T/A 'Film Shropshire' has a remit to promote and manage filming in Shropshire. Film Shropshire represents private locations in Shropshire and works with other organisations to ensure Shropshire is regarded as a film friendly location. It costs nothing to register and there are no fees to pay to be listed with us.

Listing a location

- The location is listed on the Film Shropshire location hub, with Film Shropshire contact details.
- Film Shropshire will promote the location, put it forward for relevant location searches, and handle all calls and enquiries regarding the location.
- Film Shropshire will manage filming applications via www.filmshropshire.co.uk. We will co-ordinate all logistical arrangements and notify other parties as appropriate.
- The location owner will enter into an agreement with the production company, and agree to a location agreement from the production company. The location owner will be provided with public liability and professional indemnity insurance from the production company.

Cost: Film Shropshire charges 25% of the location fee and 100% of the administration fee, paid by the production company to the location owner, then 25% of location fee is passed on to Film Shropshire (30 days post production). Location owner retains 75% of the location fee.

Registration process

Once you have decided to register, we can arrange photography for you (additional cost), or if you have photos already you can upload these to be used.

Film Shropshire or the location owner will then create the entry on our website, with all details and photos checked before publishing.
